Chief of Police

January 1, 2017

Dear Residents:

This annual report reflects only a portion of the daily hard work accomplished by the dedicated members of the Village of North Syracuse Police Department.

The Village of North Syracuse Police Department has been serving the community since its inception in November of 1948. Law enforcement has changed significantly since then, but one thing remains the same; our commitment to providing the best possible service. All of our members are highly trained professionals and some are skilled in specific areas of policing but we all share one common interest, problem solving and working in partnership with the community.

As you can see by this report, 2016 was another busy year, making us, once again, the busiest Village Police Department in Onondaga County. I am also pleased to say that we handle that call volume, and provide high a level of service all while maintaining one of the smallest and most efficient police budgets in the county.

I look forward to 2017 and I am proud to continue to serve as your local Police Chief.

Sincerely,
Michael J. Crowell
Chief of Police
