The Village of North Syracuse Regular Board Meeting and Annual Meeting began at 6:30 P.M. with Mayor Gary Butterfield asking everyone to join him in the Pledge of Allegiance.

Swearing in/Oath of Office

Mayor Gary Butterfield

Dep. Mayor Diane Browning
Roll Call: Mayor Gary Butterfield, Deputy Mayor Browning, Trustee LouAnn St. Germain, Trustee Chris Strong, and Trustee Fred Wilmer.

Personnel Present: Village Clerk/Treasurer Dianne Kufel, CEO Brian Johnstone, DPW Superintendent Ed Ware, Fire Chief Robert Liberatore, Parks Director Teresa Roth, Village Attorney Scott Chatfield, and Village Engineer Brian Bouchard.
RESOLUTION # 129-19

APPROVAL OF BOARD MEETING MINUTES

Trustee St. Germain made a motion to approve the minutes from on June 27th, 2019 Board Meeting. The motion was seconded by Trustee Strong. The motion was approved with Trustee St. Germain, Trustee Strong, Trustee Wilmer, and Deputy Mayor Browning, all voting in favor of the same.

RESOLUTION # 130-19

GENERAL FUND OLD BUDGET ABSTRACT APPROVAL

Deputy Mayor Browning made a motion to approve the General Fund Abstract #29 (Old Budget) in the amount of $140,789.10 covering Voucher #1483 to Voucher #1485. The motion was seconded by Trustee St. Germain. The motion was approved with Trustee St. Germain, Trustee Strong, Trustee Wilmer, and Deputy Mayor Browning, all voting in favor of the same.

RESOLUTION # 131-19

GENERAL FUND NEW BUDGET ABSTRACT APPROVAL

Trustee Wilmer made a motion to approve the General Fund Abstract #03 (New Budget) in the amount of $234,676.12 covering Voucher #87 to Voucher #147. The motion was seconded by Deputy Mayor Browning. The motion was approved with Trustee St. Germain, Trustee Strong, Trustee Wilmer, and Deputy Mayor Browning, all voting in favor of the same.

RESOLUTION # 132-19

SEWER FUND ABSTRACT APPROVAL

Trustee Strong made a motion to approve the Sewer Fund Abstract #03 in the amount of $73.66 covering Voucher #2 and #3. The motion was seconded by Trustee St. Germain. The motion was approved with Trustee St. Germain, Trustee Strong, Trustee Wilmer, and Deputy Mayor Browning, all voting in favor of the same.

RESOLUTION # 133-19

BUDGET TRANSFER(S)

The Mayor stated the transfer of monies saved from PERMA/Work. Comp. to cover sealing and striping Mun. Parking Lot; Ozzie Crisalli specifically had a concern. Trustee Strong made a motion to approve the budget transfers from A9040.8 Workers Comp. to increase A5110.27 Sealing/Striping Mun. Pkg. Lot in the amount of $3,435. The motion was seconded by Trustee St. Germain. The motion was approved with Trustee St. Germain, Trustee Strong, Trustee Wilmer, and Deputy Mayor Browning, all voting in favor of the same.

RESOLUTION # 134-18

PERSONNEL APPOINTMENT(S)
The Mayor stated the sheet is attached with the list of appointments; most are the same with a few different changes that are highlighted in yellow. He continued anyone being reappointed and filling a new term will need to come in to Village Hall and sign the Oath of Office; you have 30 days to complete this. Trustee Wilmer made a motion to authorize these appointments on the list to take effect July 1st, 2019. The motion was seconded by Trustee St. Germain. Trustee Strong asked where the list of personnel is being posted besides Village Hall and the Comm. Ctr. He asked if it was going to be on social media. The Mayor stated it never has been, but could be on the Village Web Site. Village Clerk-Treasurer Kufel stated it could be as an attachment. The motion was approved with Trustee St. Germain, Trustee Strong, Trustee Wilmer, and Deputy Mayor Browning, all voting in favor of the same.

OLD BUSINESS:

RESOLUTION # 135-19

SET PUBLIC HEARING FOR THE PROPOSED LOCAL LAW #5 - REGARDING LAWN MAINTENANCE

Deputy Mayor Browning made a motion to set the Public Hearing to discuss and consider the adoption of Local Law #5 and the modifications to the Code as written that will pertain to Lawn Maintenance to be held on Thursday, July 25th at 4:29 PM. The motion was seconded by Trustee St. Germain. The motion was approved with Trustee St. Germain, Trustee Strong, Trustee Wilmer, and Deputy Mayor Browning, all voting in favor of the same.

NEW BUSINESS:

RESOLUTION # 136-19

DISCUSS/APPROVE CHA AGREEMENT EFFECTIVE 6/01/19-5/31/2020

Trustee Strong made a motion to authorize the Mayor to sign the CHA Agreement for effective from 6/01/19-5/31/2020. The motion was seconded by Trustee Wilmer. The motion was approved with Trustee St. Germain, Trustee Strong, Trustee Wilmer, and Deputy Mayor Browning, all voting in favor of the same.

RESOLUTION # 137-19

DISCUSS/APPROVE THE APPOINTMENT OF A PART-TIME POLICE OFFICER EFFECTIVE 7/13/19

Police Chief introduced Jordan Pannell is another part-time officer to join the North Syracuse Police Dept. He shared he is a part-time officer at Hamilton Police Dept. and Canastota Police Dept. He shared his background: he is a graduate from Mohawk Valley Police Academy where to this day he uses some of his Army experience as a drill instructor; that is a nice tool that he has to keep the guys
In shape. He also has experience where he volunteered as an Interior Firefighter as the Lake Delta Fire Dept., he comes highly recommended from these other agencies and he passed his background check and psychological with flying colors. He welcomed him aboard.

Deputy Mayor Browning made a motion to appoint Jordan Pannell for the part-time Police Officer effective Saturday, July 13th, 2019 at $22.03 per hour and is not to exceed 20 hrs. per week/1040 hours per year. The motion was seconded by Trustee Strong. The motion was approved with Trustee St. Germain, Trustee Strong, Trustee Wilmer, and Deputy Mayor Browning, all voting in favor of the same.

**RESOLUTION #138-19**

**DISCUSS/APPROVE THE APPOINTMENT OF A FULL-TIME SR. REC. LEADER EFFECTIVE 7/23/2019**

Trustee St. Germain made a motion to authorize the appointment of Don Radell for the Parks and Recreation as Sr. Rec. Leader full-time position starting at an annual salary of $31,850 effective 7/23/2019. The motion was seconded by Trustee Wilmer. The Mayor stated our Village for the size has an extremely busy and complete Parks and Rec. Program. He continued Parks Director Roth has been doing a lot with a little. He added this will be a big help, because he has been here, he is young, he knows computer skills and he is going to be doing some things that are going to help us. The motion was approved with Trustee St. Germain, Trustee Strong, Trustee Wilmer, and Deputy Mayor Browning, all voting in favor of the same.

**SAVE THE DATE: ANNOUNCEMENT AUGUST 7TH MANDATORY SEXUAL HARASSMENT TRAINING**

The Mayor stated we need to save the date, August 7th; there is a mandatory Sexual Harassment Training. He continued this is just informational, the Community Center has been set aside for this for all those who can make that time frame need to come. He stated those that have not already gone through the Sexual Harassment Training; he believed the Fire Dept. is complete. He continued the Police are actually shutting the doors and will receive coverage from the State Police and Sheriffs; it is only 1-2 hours, but it is something that the state has mandated that we have to have this training. He reiterated it is a mandate, all should attend and no excuses.

**CITIZENS’ VOICE:** The Mayor invited anyone that wished to share concerns or thoughts to address the Board.

**Doug Hummel of Herbert St.** wanted to bring to your attention when he was running for Village Trustee in this last Village Election and it became very apparent to him that a lot of people are not aware that there even is a Village Election. He continued while talking with people, other than the little yellow
card from the Voting Board and that is all they know and if you moved into the Village 2 or 3 years ago; they might not get that little yellow card. He suggested putting a sign on corner of South Bay Rd. at the Library and the VFW 30 days prior to the election to advertise it. Paul Payne of 356 Chestnut St. stated recently across Park Lane there were a couple of large trees removed, the companies have deserted that street and left large pieces of the trees. He asked if that is the Village’s responsibility or the people’s responsibility, because we look at that every day and it is a big mess out there. DPW Sup’t. Ware stated he has seen that, the guy that picks up the brush called him; that property is right on the corner line of the Town of Clay and he lives in the Town of Clay. Mr. Payne added it is his understanding that the tree was Park Lanes actual physical property. DPW Sup’t. Ware explained his property is in the Town of Clay. Mr. Payne spoke of the Lawn Maintenance on July 25th meeting and asked if they would be looking at both the front and back yards. He went on said owner does not mow his grass until it is 2 or 3 feet high. He spoke of the terrible eye sore next door that is maintained by the Syracuse Land Bank and behind them which is 101 Wilshire Dr., she has not been around in a long time, he thinks she is traveling the globe, so her back yard that he can see through the stockade fence is knee high at times with a lot of wildlife coming through his fence into his backyard, etc. He continued if something comes through the 25th with the Lawn Maintenance he would just hope that it would include the front and the back, because you have a lot of backyards that go up past each other. The Mayor stated this has been a topic for discussion and he will speak for our Codes, DPW and the Village Board we have approximately 2,500 parcels in the Village and this year there are less than 20 that we have had problems with lawns that are not mowed. He explained some of the neighbors think that they are doing a favor and mowing the front lawn which is a nice thing, but then we do not know that the back lawn has not been mowed, so we are trying to keep up with that. DPW Sup’t. Ware suggested calling either the DPW or Codes and let them know if the backyard is not being maintained. CEO Johnstone stated we have a lot like that, as long as he can see it, if you let me in your backyard to see it, then he can cite them. He continued if there is a chain link fence and he can see it that is fine, but he cannot go looking over a stockade fence, but he can look over from your backyard; that is fine. Mayor Butterfield stated that is neighbors helping neighbors, but if somebody is mowing the front yard, but not the backyard, then you have this issue and we do not know, because the front looks O.K. CEO Johnstone explained he has had homeowners call and complain about the back and when asked who is moving the front; they are and he has asked to stop, because he cannot tell that the back is high if the front is mowed. Mr. Payne spoke of the property next to him, which is in the Land Banks hands; is that completely now out of the Village hands. The Mayor stated we are trying. CEO Johnstone stated he heard it is for sale. Mr. Payne stated it is for sale by the Land Bank, but if anyone has ever been in it, it is not fit. The Mayor stated none of us have been in there, the Police were a few years ago. Mr. Payne stated they were in there with the Land Bank with the Land Bank representative. The Mayor asked what they say. Mr. Payne stated they want to sell it with the stipulation that they are going to invest in fixing it up and they have to agree to stay there for a minimum of 5 yrs. The Mayor stated
they would look into that, because it does not seem right. Trustee Strong stated he will talk to DPW Sup’t. Ware and suggested that one of them reach out to the Town of Clay to give them a heads up, so they have it on their list, it may not happen this week or next week, but we can follow up with a call letting them know when they called if need be. Mr. Payne stated it happened over the 4th of July with a small private company and the trunks are very large. The Mayor explained that anyone that cuts trees down in the Village is supposed to have a license; we have a licensing process. He spoke of the recent change as some homeowners will say just cut down the big part and the Village will take the rest of it away; well we are not going to do that anymore, that has stopped. Art Steere, former Trustee, of 460 S. Main St. he stated he wanted to thank the Board for an excellent year. He shared he closed on his house last week, he is working 12 hour days getting it ready to live in and he leaves at the end of the month. Sue Hammond of 102 Elaine Ave, spoke of the professor from SU that was supposed to be come to a meeting. The Mayor stated he contacted him and he is available. He did not want to do it tonight, because of it being the 1st meeting, but the next 6:30 PM meeting, he is going to arrange to have him here. He continued we will try to advertise it a little bit, because he knows some other people want to come. The Mayor shared that he received a magazine about SG and sent copies to the Trustee; he asked that be made available for anyone interested and to have put on Website. Trustee Strong stated that next 6:30 PM meeting would be August 8th, 2019. The Mayor asked if anyone else would like to speak and closed Citizen’s Voice.

ATTORNEY REPORT: No Report.

ENGINEER REPORT: Brian Bouchard thanked the Board for renewing their contract. Mrs. Franco and he obviously take the Village work with all the grant work and other things that we have done, the improvements that you start to see in continuation very seriously. He congratulated the new Trustees; he knows that they have all served in various capacities with the Village in the past and continue to do, so thank you. He stated Mrs. Franco is gone on her vacation, but did not leave any updates; he receives calendar invites months in advance when she must plan her vacations, but he did reach out to our Transportation Dept. In Buffalo, Dorey Marsh who is leading the TAP Improvements and the D.O.T. process; he was not able to get a hold of him, but he does know the drawings are in for D.O.T. review, so it is just a matter of him trying to figure out whether it is on the top of the pile or the bottom pile and hopefully being able to put forward an email to the Board with respect to timing on that. He continued it is hard to gauge the time, but if he can poke a couple of holes over at the D.O.T. and figure out where the process might be, he will get an update to the Board about that. OCWA is progressing as the Mayor stated and maybe some of the news reporters have stated that as well, but the hope would be if we can at least get some sort of schedule from the D.O.T. when we cannot put this out to bid ourselves as the Village and hopefully that does not line up to long after the OCWA improvements
are done. He will get that to the Board as soon as he can. Trustee Strong asked him regarding another project if he was involved with anything at Centerville and Main St. with the lights. Mr. Bouchard stated so they have removed some of the pavers and stuff, he asked if that was what he was talking about. Trustee Strong stated the cross bars, so they can put up new lights; it has been kind of hanging out there, have they given you an updates. DPW Sup’t Ware stated he had spoken with the guy and they are waiting for the one wire to be moved, so they can put their pole up. The Mayor stated the main line on the pole is in the way of that; it has been sitting there for quite a while. DPW Sup’t so they have been waiting for that to get moved and then they are going to be proceeding as soon as they can.

DEPARTMENT HEAD REPORTS:

Police Department: He stated the following:
- Med Box is up and running in new lobby and is being used almost daily
- NSPD Disc Golf scheduled for August 3rd flyers are out in the community/Registration no later than Fri, July 19 (so we have time to order shirts, secure prizes)
- Body Work Cameras are in and being unfitted to vehicles and personnel
- Been busy so far this summer
- So far in July: 327 Total Calls for service, 184 Property Checks, 03 Domestic, 09 Motor Vehicle Accidents, 34 Traffic Stops, 45 Traffic tickets, 07 arrests

Fire Department: Fire Chief Liberatore stated the following:
- He congratulated everyone that had been elected especially past Chief Strong being a member of the Fire Dept. and is on the Village Board
- He will have it added to the sign, so people can see it as they go by
- The Mayor mentioned two Requisitions that he signed quite a while ago that have no other signatures and if you want to talk to the Fire Chief after justification
  - One is to fabricate and install step and hand rail on Rescue 7
  - Other is the Safer Grant which is 3 Fire Depts. together that got a grant to spend money and they are outfitting the trailer, so we need some signatures to make these go forward and the Chief is available if you want to ask him questions, because without 2 more signatures it just sits

Public Works Department: He stated the following:
- We are working on patching some of the severe potholes, storm drains and brush
- Next week we are focusing on the light poles that need to be repaired and then more storm drains—there are approximately 14 storm drains they need to repair
Parks and Recreation Department: She stated the following:
- Summer Camp is finishing the 2nd week tomorrow; 160 plus kids registered which is a record
- Pool attendance is up with Williams Beach closed, heat, and swim lessons included; lots of people
- We have had 3 summer concerts so far with 6 left
- Busy trying to catch up with park maintenance
- She is very happy and excited that you are allowing Don to come back in couple weeks; need the help

Codes Department: He stated the following:
- Keeping DPW mowing crew busy; they had to rent a brush hog from Sunbelt to hit real lawns that they could not get mowers in; they did 3 properties
- The Mayor added we had to rent a brush hog; when we mow someone’s property, we are in the process of tweaking that time frame now, but when we mow that goes on the tax rolls
- CEO Johnstone stated it is a $125 fee for the DPW to mow lawn, if special equipment is needed whatever the fee is will be added to that fee along with any damages to the equipment as well; today we did 3 lawns it will be divided and added to their taxes as well
- He thanked the DPW for keeping up on these lawns when asked to
- We should be up on the new phones within the next 2 weeks
- Fios will be here on Monday to do new install for the new Fios cable
- Week of the 22nd Sonitrol is coming to do their box and he is still waiting to hear on Red Hawk; once those two boxes are done can eliminate the copper lines

Clerk-Treasurer: She stated the following:
- The last abstract was approved this evening for the Old Budget, so that kind of wraps up the Old FY and we can proceed and close the books to get a definite picture of what the fund balance is and all that
- The Taste of North Syracuse letter was sent out to 68 businesses to see who wanted to partake the 1st week in October; not much feedback, she thinks people are focusing on other things and she hopes for some more feedback

DEPUTY MAYOR-TRUSTEES REPORT:

Trustee St. Germain: No Report.

Trustee Strong: He thanked everyone; he is very humbled by the opportunity to represent the Village
residents and get to work. He continued with the Mayor's permission to we are looking at some of the social media outlets to get the information get out there. He stated sometimes traditional snail mail is not as quick, so maybe we can work on Instagram or some of the other outlets to get to get some of the Village exposure; the work is being done, we have got excellent departments that are doing a ton of work. He added he does not think people are getting that information, because you hear the question, "What am I getting for my taxes," so we are going to start getting some out there and maybe do some ride a longs and get some pictures of all the different departments, so folks know this is what you are getting and it is being performed with top level. He is very happy to see the kick off on the infrastructure and thank you for everyone that was helping to push that. He asked people to keep an eye out for the 1-81 discussions and forums and encouraged them to attend if they are able to; this is going to severely impact this Village. He added it is going to play a major roll and obviously it is not probably going to happen in the next 2 to 4 yrs., but they are going to do something and it is going to affect this Village as a main artery for folks to get in to support our residents and our businesses are going to affect our Village and businesses as folks get dumped out north of us in Cicero. He asked that they keep an eye on that and support us, so we can help you and the Mayor move forward.

Trustee Wilmer: No Report.

Deputy Mayor Browning: She congratulated the new Trustees and the Police Officer. She wished good luck to Parks and Rec and they have their help back; they need it badly as the Mayor stated.

MAYOR'S REPORT:

The Mayor stated for those of you that do not know OCWA Water Authority is on Church St. and so far nightmarish for the residents. He continued they are replacing the water main on Church St. and on Chestnut St. He stated thankfully they are doing that before we do our improvements to the paving and sidewalks, but it is a challenge. He continued we had a Staff Meeting on Wednesday and we have had quite a few residents come to us and according to Trustee Strong social media is not looking to good; we are trying and sadly it is going to get worse before it gets better, but it is going to get better. He went on to say we are getting an 8" and 12" water line, new paving and new sidewalks, so we just have to smile and be cheerful. He stated the building renovations at Village Hall are coming along, he knows some of you are never there, but soon we will have our Handicap Accessible Bathroom; the Police Lobby and the Conference Room are a big improvement. He continued the next thing we are going to have to deal with is our DPW Roof, is in pretty bad shape and next Budget year we are going to probably have to put a new roof on; they have been pretty patient patching the holes, it is 30 yrs. old and cultived its useful life. He mentioned the front of the Village Office Building he wants to have an architect do a sketch to improve the front appearance.
He stated the Post Office Box in front of our Village Hall on the sidewalk there, he would like to get that moved, because if someone does come up the Handicap Ramp; that Post Office Box is right in the way, it has been there for years, but we are going to move it, so that Village Hall is accessible. He welcomed the new Trustees; he stated he is not sure they realize what they have got themselves into. He stated there are a couple of things regarding the I-81 issue; the local meeting is July 25th out in Cicero. He continued there is the intent of the Town Board, of the Town of Clay regarding this, there is a letter of Whereas, Whereas and they are asking other towns and Villages to adopt this same letter, facsimile thereof. He stated we will pass this around to the Village Board; we know something is going to happen, some people think it is already decided. He continued we are going to do our best to let our feelings be known and a lot of impact, no matter what happens, there is going to be impact. He stated in line with this I-81 Viaduct Project, they are asking for us to fill out paperwork regarding, do we want noise barriers on I-81 and I-481. He spoke of a map that they got; we are eligible, but they have to have citizens, property owners say do you want one, so we need somebody; we just got this and it has to be filled out by September 5th. He is sure that people over on Slindes Woods Cir., and especially at the end of Oakley Dr., and Wells Ave. E. He added if you have never been down there it is noisy, so we are going to work on that. He stated now that the elections are over, they are looking for some people that want to get involved with the local enhancements, street by street, block by block; kind of like the Fulton Block. He continued there is literature we have, we need to put together a committee that somebody needs to head it up and somebody needs to go through our Village street by street as we move down the road.

Deputy Mayor Browning made a motion to adjourn at 7:15 PM. The motion was seconded by Trustee Strong. The motion was approved with Trustee St. Germain, Trustee Strong, Trustee Wilmer, and Deputy Mayor Browning, all voting in favor of the same.

Respectfully submitted,

Dianne M. Kufel  
Village Clerk
