PRESS RELEASE

The summer has begun! In an effort to promote safe riding, The North Syracuse Police Benevolent Association in partnership with Plank Road Ice Cream will be rewarding kids under the age of 16 for wearing proper safety helmets while riding bicycles, skateboards and scooters. While on patrol, North Syracuse Police Officers will randomly issue free ice cream coupons to kids under 16 that they see wearing their helmets. The program will run throughout the summer.

The North Syracuse Police Benevolent Association would like extend their thanks to Eric and Dave Antinelli, owners of Plank Road Ice Cream for their partnership in the continuation of this yearly program.

Thank You

Rob Florian
North Syracuse PBA President
