www.northsyracuse.ny.org

Whereas,

J. Sterling Morton proposed in 1872 that a day be set aside each year for the planting of trees and that day, called Arbor Day, was first observed with the planting of more than one million trees in Nebraska; *and*

Whereas,

Mr. Morton believed the cultivation of trees is the cultivation of the good, the beautiful, and the ennobling in man and for one, I wish to see it become universal. Each generation takes the earth as trustees. We ought to bequeath to posterity as many forests and orchards as we have exhausted and consumed; *and*

Whereas,

trees help reduce the erosion of topsoil, cut heating and cooling costs, provide shade which cools our urban areas, cleans the air and water, absorbs carbon dioxide and produce breathable air and support habitats for wildlife and our entire ecosystem; *and*

Whereas,

trees are a source of joy and mental and social well-being, they increase property values, enhance the economic vitality of business areas and beautify our community and the world: *and*

Whereas,

2024 is the 152nd anniversary of this holiday with this year's theme of ensuring our earth and the trees upon it are all happy, healthy and growing to be as strong as they possibly can be; *and*

Whereas,

the Village of North Syracuse has been recognized as a Tree City USA by the National Arbor Day Foundation and desires to continue its tree-planting practices.

NOW, THEREFORE, I, Gary Butterfield, Mayor of the Village of North Syracuse, New York, do hereby proclaim April 26, 2024, as

Arbor Day

In the Village of North Syracuse, and I encourage all citizens to support efforts to protect our trees and woodlands.

Furthermore, I urge all citizens to plant trees and to promote the growth and well-being for present and future generations!

Dated this 26th day of April in the year 2024.

Mayor _____
Gary Butterfield
