I would like to ask for an extension on our approved addition to the north side of our building. It was approved just before the Covid pandemic hit the United States.

We do not wish to change our plan, we would just like to extend the plan for 1 or 2 more years. We have retired from the corporation and our son, Jeffrey and his wife Erika are taking over.

We have just about recovered from the pandemic and are beginning to see increased business and more staffing available to us. Business is finally returning to normal.

We request this extension while we finish the transition to our son and daughter in law. Please find enclosed our check for the required fee of \$250.00.

Thank you for your consideration in the matter.
