Public Hearing #1 held by the Board of Trustees of the Village of North Syracuse on the 14th day of May 2026 at 5:29 PM regarding Local Law #3 – Fee Schedule for Codes Enforcement Department’s Rental Registry and will hear all persons in support of such matters, or any objections thereto.

Past Fire Chief Brennan stated the following:

- Many legalities that need to be addressed.
- Cicero Fire Chief’s area has had some issues with rental properties. There is value to the Registry, but it needs to be done correctly.

Codes Enforcement Director L. Nestell stated the following:

- The version we have was written by Village attorneys for East Syracuse; edited to apply to the Village of North Syracuse.

Pat Ferguson stated the following:

- She is part of the Housing Authority Board; would like to see the Registry proceed. In Village there is a federally funded housing program. When they are doing inspections, Codes is notified of issues. Wants to ensure that Codes knows they exist/knows HUD regulations. Let Housing Authority know if anything is needed from them.

Ken Ryan stated the following:

- Not against Registry, but Village should know their information before implementing.

Patience Frysinger stated the following:

- Not against, but feels Village is going about incorrectly:
 - Registry draft that was available has many errors.
 - What is the opportunity cost? How do we know what the rentals are? If we must go to court, what are the fees? How will unlawful entry be handled/are we going too far? Where is tenant Due Process regarding investigations?

Lisa Lioto stated the following:

- In favor of, if written clearly and legalities need to be cleared. Afraid of overreach.

Carol Wahl stated the following:

- Document needs edits; we need to ensure we are using the Village attorney to do everything legally.

Codes Enforcement Director L. Nestell encouraged public to send emails with concerns and recommendations. Public Hearing was closed.

Village of North Syracuse
Regular Board Meeting
May 14, 2026 @ 5:30 PM

- Not having financials closed since January is not acceptable. Fiscal year closes soon.

Carol Wahl (Slindes Wood Cir) Stated the following:

- Unsure how we can move forward with budget when numbers were inaccurate, and Village does not know what they have. Does not make financial sense. Need audits for 2023, 2024, 2025, going into 2026.

Ken Ryan (211 Herman Dr) Stated the following:

- Was told that Codes Director did not come in as a Qualified Codes Officer; he became one on the job. (This statement was disputed by L. Nestell and Trustee St. Germain) He would like proof either way.

Rick Wahl (146 Slindes Wood Circle) Stated the following:

- Likes the idea of increasing mattress pick-up fee. Has charging for Bulk/Brush Pick-up been considered? Has the Police Department considered charging for checking on snowbirds/vacationers house checks? A committee to recoup fees would be helpful.

Ken Ryan (211 Herman Dr) Stated the following:

- Rules are not being enforced regarding Bulk/Brush pick-ups. Hopefully enforcement of them comes back; it will help the Village.

Carol Murphy Stated the following:

- Regarding part-time clerical assistant proposed position – no need for part-time help to do payroll (also no need for someone to come in and water the flowers). Must be a way to do the work with people who are already there.
